

MELT Annex Study Booths

You can use these three booths. You can book them for one hour.

If you come to Annex and a booth is empty, feel free to use it without booking. But you must give up the booth if a student with a booking arrives.

Put your smartphone in the stand and record your presentation.

See yourself in the mirror to get the gestures just right!

Relax and read, or use your smartphone to study.

The chair is so comfy!

Sit at the desk to study, or raise the desk and use it as a standing desk.

Change the height of the chair and desk so it's just right for you.
